DATE: January 29, 2010
TO: Assembly Voting Members

FROM: Rev. John D. Kreidler, Bishops Associate
SUBJECT: **Resolutions for 2010 Synod Assembly**

May God's peace be with you.

You will find included with this letter the *Resolutions Guidelines and Checklist* information sheet and a *Resolutions Submission Form* to assist in submitting resolutions for consideration by the 2009 Synod Assembly.

These items for your own use and to ensure that others in your congregation have access to them. Please, let people know that you have these items and make as many copies as are needed.

The resolution process is necessary to ensure that the business of the assembly can be conducted with order and decency. However, I recognize that it can be confusing and, at times, discouraging. Please, encourage people to contact me if they have any questions about or problems with the process of submitting a resolution. I want to make the process as easy as possible in order that people can focus on the matters they wish to raise. I can be contacted at:
