

MISSION PARTNER OPPORTUNITIES 2006/2007

CSS OUTREACH TEAM

Mission partnership includes more than sending a check. Mission partners make connections and develop relationships. Being a mission partner includes doing some of the following:

- Having a Mission Sunday
- Creating a Mission bulletin board
- Doing volunteer activities at the Mission
- Promoting prayer for the Mission
- Understanding the needs and working on specific projects identified by the Mission

Is your congregation looking for ways to support local missions? The following congregations are approved to receive Mission Partner support from sister Central States congregations.

Redeveloping Congregations:

St. Pauls – Wichita
Lord of Love – Belton

New Missions:

Kaw Prairie – Lenexa – organized in October of 2006 to be recognized at our 2007 assembly.

Synodically Authorized Ministries:

Hope – Rolla

Ethnic Specific Ministries:

Resurrection – Garden City – Hispanic
Laotian Worshipping Community – Olathe – Laotian
Chinese Lutheran Congregation – St. Louis – Chinese congregation to be organized in 2007 and recognized at our 2007 assembly.

New and renewing ministries in the Central States Synod become eligible to receive support from sister congregations by requesting approval through the Central States Outreach Team. The Team reviews ministry plans and activities in these ministries in order to ensure that contributions are given to legitimate ministries.

Contact any of the ministries mentioned above to find how you might respond to their needs.
