

LECTIONARY THEMES AND PREACHING

- Rev. Susan Langhauser

Where do we find the time and appropriate resources to bring an honest word from God?

This lab series offers ideas for lectionary preaching through the seasons of the year. Sessions are geared toward lay leadership leading worship in our Synod. While not an exegetical exercise, it will lift up seasonal themes, explore ideas for worship, sanctuary art/environment, and activities for each season.

Participants may select any single session or attend all five.

**April 4, May 23, Aug 1,
Oct 3, & Nov. 15 -6:30 p.m.**
