

# Women in Ministry Gathering

August 6-8, 2024

Hilton Garden Inn, Sioux Falls, SD

Women have been ordained for over 50 years, yet still experience challenges as we seek to live out our calls in this church. The ELCA is committed to improving the quality of calls for women in ministry. Seven synods in the Midwest are collaborating to host a gathering for women in ministry where there will be a time for conversation, support, education, and for rest and renewal.
