The [\*Model Constitution for Congregations of the Evangelical Lutheran Church in America\*](#) is now freshly updated with amendments passed by the 2025 Churchwide Assembly of the ELCA. This year's amendments are relatively few and chiefly focus on updates that bring greater consistency, clarity, and ease of reference. The Office of the Secretary of the ELCA will have an informative session on the 2025 changes to the congregational model constitution as well as tips on how to make the process of changing your constitution as smooth as possible.
