1. Open with Synod Mission Statement: **United with Christ in Baptism. Traveling the way of Jesus. Joining God's reign of justice and radical love in the world.**

Unpacking the Mission Statement:

United with Christ in Baptism. Traveling the way of Jesus. Joining God's reign of justice and radical love in the world.

1. United with Christ – In the waters of our baptism, we are united to Christ and to one another. This is the reality and truth which continually transforms us and is the defining lens for our actions and behaviors.
2. Traveling the way of Jesus – The way of Jesus is not a static concept we are invited to affirm, but an active way of living and moving into and through this world. Traveling this way invites us even deeper into a love of God and love of neighbor.
3. Joining God's reign of justice and radical love in the world – God's reign has broken into our world calling us beyond acts of charity to justice for our neighbor to participate in God's radical love which challenges the status quo to bring about reconciliation and a new way of being.

Vision:

The Central States Synod would be a place that:

- Witnesses to the centrality of faith as individuals and communities embrace and actively live the way of Jesus.
- Empowers ministries and congregations to participate in God's reign of justice, loving neighbor through acts of charity and the work of advocacy.
- Nurtures engagement in spiritual practices that deepened faith and courageous acts of love for the neighbor.
- Invites others into this transforming way of Jesus.

2. Share what the Fund Team is thinking about how to use these funds. Invite questions.

3. Collect feedback and ideas
